Please fill in the list below with the information on the Associated Partner:

Name of the organisation	Mediakeskus Joensuu
Type of Institution	ICT-center
City	Joensuu
Country	Finland
Web-Site	https://peda.net/joensuu/jm
Name of contact person	Johanna Lakka
Email of Contact Person	johanna.lakka@edu.joensuu.fi

Please provide a brief description of the organization:

Joensuu Media Center facilitates pedagogical support and continuing education for TVT educational use and media education. The center supports educational institutions in ICT projects and provides guidance in equipment and software procurement. The media center also provides expert support for organizing learning environments, social media and online teaching. The Joensuu Educational Technology and Media Center coordinates new projects and grants for the development of the educational use of TVT. Mediakeskus cooperates with the municipalities of the Joensuu region and Mejn IT ja talous Oy (MEITA). It also participates in technology development.

Please describe how the organisation will contribute to the dissemination and exploitation of the project results:

The role this organisation expects to play in the project includes:

- Exchange of experience and expertise during/after the project in possible project meetings' associated partner sessions locally/online
- Participation in the Dissemination of the project information at the organisation's website/digital or social media channels/events
- Promotion of the information about the project to our network of contacts by mentioning the associated partnership and sharing of the brochure in different social situations when possible
- Contribution to exploitation and sustainability of the project results at the organisation's website/ digital or social media channels/in different social situations when possible
