Please provide a brief description of the organization:

EuroEd Secondary School was founded by the Order of the Ministry of Education, Romania, no. 4833 from 30.08.2018.

EuroEd Secondary School aims at creating a successful organisational culture for everyone involved: students, teachers, parents based on transparent and efficient communication, accountability, promoting civil action, leadership and independent learning skills. We are a school where people and students are valued; a learning community which promotes not only academic success, but also values and principles which help shape moral integrity. Thus, our mission statement is based on a founding principle; that of developing students' mind, body and soul by means of a high standard, holistic education. We support and actively promote students' responsible participation in the shaping of their own lives and of the global community.
