Please provide a brief description of the organization:

The School includes 2 kindergarten complexes, 2 primary school complexes and 1 lower secondary school complex, for over 1400 pupils.
The school curriculum is transversally focused on the development of skills in STEM, foreign languages, and sports activities; in addition, activities for environmental sustainability, active citizenship and inclusion of students with fewer opportunities are implemented in all classes.

Please describe how the organisation will contribute to the dissemination and exploitation of the project results:

The School will participate in the initiatives organized by the institute proposing Maria Montessori, both remotely and in person, and will share the project results inside and outside the School.

In particular, the School undertakes the following activities:

- Exchange of experience and expertise during and after the project;
- Participation in the Dissemination of the project information;
- Promotion of the information about the project to our network of contacts;
- Contribution to exploitation and sustainability of the project results.
